

Case 2a

Your Name: _____

Hospital: _____

Role (circle one): In-room assessor / Indirect assessor

Mom: Brittany Morris, MR 123456-2

Baby: Josiah Morris, MR 234567-2

- 3 day old healthy baby born full-term.
- Mom on buprenorphine for 2 years, doing well in recovery. Also on Zoloft for depression.
- Baby had jitteriness, high tone, and poor feeding on first day, but doing better on 2nd day.
- Mom keeping baby with her all the time in a calm, quiet room. Spending lots of time holding baby skin-to-skin. Baby's grandmother has been here helping out and holds baby when mom is sleepy. Grandma is currently down getting coffee. Family has not had other visitors.
